

OIL PAINTERS of AMERICA®

Dedicated to the Preservation of Representational Art

Blog Advertisement Information & Agreement

Thank you for your interest in placing an ad on the OPA Blog. We are dedicated to the preservation of representational art and support the hard-working artists, vendors and organizations that make that possible. Please see below for the necessary information regarding the advertisement.

Requirements

While we are glad to invite you to promote your products and information on the OPA Blog, we require that advertisers are either sponsors of our National Exhibition or Members of OPA in good standing. Sponsorship eligibility requires a minimum exhibition sponsorship, as well as payment of \$75 per month. OPA Members may advertise for \$75 per month. Advertisers are welcome to post multiple ads, providing additional payment is submitted.

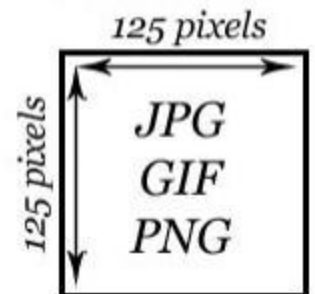

Advertising Appearance

The advertisement will be displayed for one month after acceptance. Advertisements are 125 x125 square pixels and will be displayed on the sidebar of the OPA Blog (oilpaintersofamerica.com/blog). The number of advertisers simultaneously shown may vary.

Specifications

Please submit a digital advertisement with a dimension of 125 x 125 pixels. Digital advertisements may be in JPG, GIF or PNG format and should be static (currently, no animated or rotating GIF files will be accepted). Please include the intended target URL.
