Join John Michael Carter OPAM for a power point presentation that discusses the various elements of composition and how shapes and values can be used to bring dynamic visual interest to your paintings. Whether you are a beginner or professional, rest assured you will takeaway something that can bring new insight and excitement to your work.

Born in Chicago, Illinois, Carter attended the American Academy of Art in Chicago and continued his studies at the renowned Art Center College of Design in Los Angeles.

There he studied the major classical schools of drawing and painting which provided him with the technical expertise to make him a superb artist and teacher.

Carter has won numerous awards including OPA's prestigious National Exhibition Gold Medal. He is a current OPA Board member, and past president of OPA.
